

# November

## Thankful Thursdays

During the month of November, and in accordance with our Kind Child curriculum, we celebrate thankfulness with “Thankful Thursdays”, beginning Thursday, November 8th.

Our first Thankful Thursday, **Nov. 8th**, is celebrating our Parents. Please look for a special parent treat today to thank you for supporting us and your children as we work together raising all of our Winwood children!

On Thursday, **Nov. 15th** we will wrap up our food drive benefiting Loudoun Hunger Relief. Look for donation boxes outside of each classroom. It is so important for our children to understand the importance of giving to those less fortunate than us. Our School Age children will help head this community service project!

We will celebrate the children on the **21st of November** (as we're closed on the 22nd) with a fun-filled day complete with pie eating contests and PAJAMA DAY!

Finally, we will wrap up our month of thankfulness by celebrating our wonderful teachers with a potluck on **Nov. 29th!** Please let us know if you are able to contribute a dish. There will also be a sign-up sheet at the front!

## —Important Dates—

**2nd — Scholastic Book Fair Ends**

**5th and 6th — LCPS closed, Winwood OPENED!**

**6th — Parent Survey's sent out**

Sujin on the 9th

Yousef on the 14th

Amar'e on the 14th

Miles on the 17th

Karaas on the 18th

Naseer on the 18th

Ethan on the 19th

Gunnar on the 20th

Navaeh on the 24th

Kenerly on the 28th

Klara on the 29th

Brock on the 30th

## Teacher Celebrations!

### Happy Birthday!

Ms. Lidice and Ms. Kendra celebrate their birthdays on November 30th!

These wonderful women are sisters who share the same birthday, two years apart!

Please join us in wishing these amazing

Preschool II teachers

**HAPPY BIRTHDAY!!**

# Ascend CURRICULUM

BY CADENCE EDUCATION®

Our theme for November is "My Community Heroes".

The children will investigate the following:

### Famous Authors

During this investigation, we will talk about the roles of the author and the illustrator. The kids will also learn about the other important roles needed to get a book published. They will identify famous authors and also get a chance to create and illustrate their own stories.

### Mail Delivery Service

How is mail delivered? Where does it come from? Who delivers it? How can you send a letter to someone? The kids will get to learn all about mail delivery during this theme. They will also get a chance to mail letters to their friends!

### Heroes at the Hospital

Throughout this investigation, the children will learn about the hospital, doctors, nurses, and the other types of workers in a hospital setting. They will be able to identify the different equipment used by doctors and nurses and how they can make you better. The kids will get to use dramatic play to pretend that they work or are a patient in a hospital.

### Police Officers to the Rescue

We love our police officers! We are so proud of their commitment to our local community and the children will learn all about the officers job responsibilities.

### Everyday Heroes

Who are our everyday heroes? What and who makes our community run so well? Some of these important people are teachers, bus drivers, librarians, garbage collectors, and veterans! They will learn how they can contribute to their community and be good citizens.

### I'm So Thankful

Thanksgiving is an important part of November! The children will talk about being thankful for all of their blessings and how they can show appreciation. This is goes hand in hand with our Kind Child theme this month.

### Opposites

This unit will allow the children to view a variety of opposites to understand the concept. They will be able to spot different examples around their classroom and their environment.
