Summer is FLYING by!

42851 Smallwood Terrace, South Riding Virginia 20152
(703)722-9180
Can you believe it? August is here already! The summer is flying by and the children will soon be happily settled into our fall curriculum. From all indications, it’s going to be a fabulous year!

If you did not pay the registration fee for the upcoming school year, please make sure to do it by August 12th to secure your enrollment for the fall.

The first day of the 2019-2020 school year for Loudoun County Schools is Thursday, August 22nd. If your child is attending Before, Before and After, or just After School, please send an email to confirm your child’s school and what program you would like to attend.

Friday, August 16th we will be closed for teacher training & Monday, September 2nd we will be closed in celebration of Labor Day.

—Tall Tales—
During this investigation, children will listen to various tall tales. They will discover what makes a story a tall tale. Students will also practice writing their own tall tales by themselves or as a group.

—Geology & Rocks—
During this study, students will learn about different types of soils, rocks, and minerals. They will explore these objects using magnifying glass and microscope.

—Physics & Movement—
Through this theme, children will explore how things move. They will experiment with how they can change the environment to make things move faster or slower.

—Inventions & Inventors—
During this unit, students will learn about a variety of useful inventions. They will become inventors themselves by designing and making their own creations.

—Life on the Range—
Children will discover all about cowboys. They will read stories about herding cattle and pretend they are living under the stars.

—Outdoor Games—
Through this theme, children will learn and play a variety of fun outdoor games and sports.

—Visual Puzzles—
During this investigation, children will use problem solving skills to solve challenging and fun visual puzzles.
